

Cape Fear Shag Club Meeting

December 17, 2016

Mission: To bring together individuals who love the shag dance and its music, and who want to preserve, promote, and share the shag experience with others.

President Keith Thompson welcomed and thanked them all 114 members and visitors to the Cape Fear Shag Club Christmas Party.

He thanked everyone who worked so hard in 2016 to make CFSC successful and for everyone for coming out all year to support the club. He stated that the club ended the year with approximately the same funds with which the club started the year.

Keith took time to summarize the activities of the year and how successful each activity had been:

- Two re-up parties paying for dinners for both for all members

- Paid for the meeting expenses for the year of approximately \$3000

- Donated \$3500 to Junior Shaggers with a huge May meeting show casing them

- Donated \$2500 to Carolina Beach Music Festival as a sponsor, and many members participated in the festival

- Members took part in the Low Tide Run with \$1000 being donated by those participants

- CFSC had for the second year in a row a float in the Carolina Beach Christmas Parade with many members helping create the float and many riding the float in December

- The members who took on responsibilities of committees and those who showed up to help them, we really appreciate your hard work

- Keith closed stating how proud he was to have served this year and how happy he is to be a member of the CFSC.
