

Cape Fear Shag Club Meeting

February 18, 2017

Mission: To bring together individuals who love the shag dance and its music, and who want to preserve, promote, and share the shag experience with others.

The CFSC Fund Raiser for junior shaggers was very successful. Two hundred tickets were sold and 190 people attended. Blackwater Rhythm and Blues' performance was excellent and all who attended had a wonderful time. Dale L. Thompson Jr. and Lauren McClory of our Social Committee provided tasty snacks for all and the decorations were perfect.

After all bills were paid there was \$1750.00 for the junior shagger program; for our local youth that are just starting and for the Junior Shaggers toward their travels and competitions.

Thanks to everyone who had any part in making this evening a highly charged night of music and entertainment. CFSC appreciates your support.
