Cape Fear Shag Club Bi-Monthly Newsletter Nov-Dec 2016 Volume 29, Issue 6

A final farewell from your past president:

Hello again CFSC members:

Our esteemed newsletter editor, Pam Cremona, asked me to write a few passing thoughts for the year end issue. I told her that 109 of you showed up at the Christmas Party to hear me for the last and final time. But just to appease Pam, here are a few passing items:

1. Thank you, thank you, thank you for your support of the CFSC this past year.
2. Thanks again to the board members and committee chairs for their diligent work.
3. Please give this year's board and committee chairpersons the same support you gave this past year.
4. Remember that the CFSC is not about one person. It's about 140 people working for a common mission. Please try to help on a committee. Our meetings require a lot of work.
5. This past year you supported the Junior Shaggers, the Carolina Beach Music Festival, the Steve Haydu Cancer Walk, SOS activities, and the Pleasure Island Christmas Parade.
6. We were entertained by a great array of top deejays at our functions.
7. But, the greatest memory I will take away from my year as President of the CFSC will be the growth of the camaraderie among our membership. I think our club has gelled over the past few years. Our club functions are full of fellowship and friendship. I encourage each of you to get to know your fellow members. And what better way than "ASK THEM TO DANCE!"
8. AGAIN, thanks to all of you. Let's all strive to make our club excel in all aspects.

Respectfully,

Keith

P.S. This is now Pam—thanks for all you've done for the CFSC, Keith and consider me appeased!

## From Our New President

Good Day Once Again CFSC Members;

As your incoming president I am looking forward to the many challenges that lay ahead. I am planning to spend at least an hour daily on our club business. I will be accessible either by email, text or phone call.

I may not be able to answer all of your questions but like Henry Ford, founder of Ford Motor Company. I have board members and committee heads both past and present from which to glean answers from. Hopefully no question will go unanswered.

Financially our Club is healthy, Membership is moving in the right direction. The next time you see any of the outgoing board members and committee members tell them "thank you." Ask them to dance, because their dance card has been empty due to their extraordinary commitment to the Cape Fear Shag Club. Without their commitment and insights it couldn't have been done. They raised the bar.

That being said I welcome the new board and committee members. Hopefully all will be present at the clubs' January 21, meeting. They will be introduced, The outgoing will also be asked to stand and be recognized for the outstanding jobs they did.

We are also trying to provide to you without of town deejays, some you have never heard before. Although all djs play essentially most of the same music, their persona is always different and refreshing. ;

There is already a lot on our plates for the coming year; Blackwater Rhythm and Blues; The Junior Shaggers; Carolina Beach Music Festival; and the Azalea Festival Shag Contest. More events will be planned during the year and we will keep you apprised. Get excited shaggers. This is your club.

Looking forward to another fun filled year.

Shag on Baby

Bernie Braak.
