Cape Fear Shag Club Bi-Monthly Newsletter Volume 26, Issue #6 Nov/Dec 2014

To the Cape Fear Shag Club

As I begin my last letter to this club as President there are a lot of things I want to share.

It has been a great year for this club !! We have accomplished a lot of things and should feel good about the contributions we have made and given back to our community. It takes a lot of work.

I also want to encourage everyone to get involved. I have heard a lot of people say they don't want to get involved in the politics of this club, but if you truly care about this club you need to

be aware of what is going on behind the scenes and understand the by laws and what impact they have on things. Don't vote the majority without knowing why.

I have had to take a lot of unpleasant words and emails from a few who did not like some of the

decisions that were made. I was called vindictive and mean. But I can assure you from my heart every decision that I made was made with the best interest of this club and its members. When I took this position I had a goal to bring in new members and bring back the fun to this club. With the help of all my support system and team WE DID THAT !!

I want to thank all my board members and committees for all their hard work. I could not have asked for a better group. They worked very hard and please don't forget to thank them !

And lastly, I want to thank the members who came out and gave of their time and money to make each event a success. None of this would be possible without you. Remember our

Nov meeting on the 8th and our Christmas Party Dec 13. The Christmas Party is going

to be a sit down dinner of steak or chicken. Please let Connie know if you are coming and which meat you want. Cost is 10.00 for members and 30.00 for guest. We need head count for the meal.

Keep dancing where ever you may be !!

Hope to see you on the dance floor !

Your President, Beth Sykes

There are no more committee reports for this, the last issue of the Sandy Weejun for the year 2014. I would like to say a big "Thank You" to all the club officers and committee members these last two years for your help in getting out the newsletter. I took on more than I felt qualified to do—and have learned a bit about Microsoft Publisher in return. It was a wonderful learning experience for me—thanks!

I hope that every member will be thinking what your special "gift" might be as far as the club is concerned. There is a great need for enthusiastic committee members to volunteer their talent in doing one job. If everyone did one job—what a great year we could have!

Sincerely,

Linda Newton, CFSC Newsletter Editor
